Developing the careers of clinician-educators in psychiatry. Bennett AJ, Clardy JA, Cargile CS, Thrush CR. January-February 57-60

Educating, training, and mentoring minority faculty and other trainees in mental health services research. Yager J, Waitzkin H, Parker T, Duran B. March-April 146-151

Enhancing the effectiveness of the psychiatric chief resident. Ivany CG, Hurt PH. July-August 277-280

Fifteen years of evolution as a society of teaching scholars. Simpson D, Marcadante K, Sebastian J, Taylor J, Chan C, Bolender D, Weissman D, Kaplan S. November-December 465-471

The history of the American Association of Chairs of Departments of Psychiatry. Buckley PF, Meinsler LF. March-April 97-98

How the AACDP helped me professionally and personally. Baron DA. March-April 99-100

Lessons learned from Katrina: one department's perspective. Winstead DK, Legeai C. May-June 190-195

Life as a balance beam: practical ideas for balancing work and home. Riba MB, Riba A, Riba E. March-April 135-137

Society for Women in Academic Psychiatry: a peer mentoring approach. Seritan AL, Bhengoo R, Garma S, DuBé J, Park JH, Hales R. September-October 363-366

Training future generations of mental health researchers: devising strategies for tough times. Reynolds CF III, Pilkonis PA, Kupfer DJ, Dunn L, Pincus HA. March-April 152-159

Turning intellectual capital into leadership capital: why and how psychiatrists can take the lead (commentary). Bickel J. January-February 1-4

The two-physician family: a balancing act of work and love. Sharfstein SS, Sharfstein MS. March-April 133-134

UCSD's short-term research training programs for trainees at different levels of career development. Jeste DV, Halpain MC, Trinidad GI, Reichstadt JL, Lebowitz BD. March-April 160-167

The unique role of psychiatric organizations and societies in professional development. Worley L. March-April 112-113

Academic Psychiatry

Enhancing the international status of *Academic Psychiatry* (editorial). Coverdale J, Roberts LW, Louie AK, Beresin E. May-June 177-179

Administrative Psychiatry

Physicians as managers: psychiatry residents' perceived gaps in knowledge and skills in administrative psychiatry. Sockalingam S, Stergiopoulos V, Maggi J. July-August 304-307

Americans With Disabilities Act

Attention deficit hyperactivity disorder accommodations for psychiatry residents. Elliott HW, Arnold EM, Brenes GA, Silvia L, Rosenquist PB. July-August 290-296

Art of Medicine

Classical psychiatry, literary sensibility, and the art of medicine (commentary). Leibo M. January-February 5-7

Assessment

Are medical students assigning proper Global Assessment of Functioning scores? Warsi MK, Sattar SP, Din AU, Petty F, Padala PR. January-February 51-56

How do examiners and examinees think about role-playing of standardized patients in an OSCE setting? Sadeghi M, Taghva A, Mirsepassi G, Hassanzadeh M. September-October 358-362

Increasing the rate of return of resident rotation evaluations by their attending physicians in an in-patient psychiatric facility. Shah N, Thompson B, Averill P, Searle N. November-December 439-442

Neurobiological formulations: integrating clinical and biological psychiatry. Posner J, Stewart J, Rieder R. November-December 479-484

Peer evaluation in a clinical clerkship: students' attitudes, experiences, and correlations with traditional as-

sessments. Levine RE, Kelly PA, Karakoc T, Haidet P. January-February 19-24

A practical approach to implementing the core competencies in a child and adolescent psychiatry residency program. Dingle AD, Sexson SB. May-June 228-244

A pragmatic approach to teaching psychiatry residents the assessment and treatment of religious patients. Blass DM. January-February 25-31

The Structured Clinically Relevant Interview for Psychiatrists in Training (SCRIPT): a new standardized assessment tool for recruitment in the UK. Rao R. November-December 443-446

Association of Academic Psychiatry (AAP)

The second annual AAP "On Becoming a Doctor" medical student essay. Burruss J. September-October 411

Attention Deficit Hyperactivity Disorder

Attention deficit hyperactivity disorder accommodations for psychiatry residents. Elliott HW, Arnold EM, Brenes GA, Silvia L, Rosenquist PB. July-August 290-296

Attitudes/Perceptions

Assessing attitudes about genetic testing as a component of continuing medical education. Mrazek M, Koenig B, Skime M, Snyder K, Hook C, Black J, Mrazek D. November-December 447-451

Peer evaluation in a clinical clerkship: students' attitudes, experiences, and correlations with traditional assessments. Levine RE, Kelly PA, Karakoc T, Haidet P. January-February 19-24

Perceptions and practices of graduates of combined family medicine-psychiatry residency programs: a nationwide survey. Warner CH, Morganstein J, Rachal J, Lacy T. July-August 297-303

Resident education and perceptions of recovery in serious mental illness: observations and commentary. Buckley P, Bahmiller D, Kenna CA, Shevitz S, Powell I, Fricks L. November-December 435-438

Bereavement

Bowlby goes to the movies: film as a teaching tool for issues of bereavement, mourning, and grief in medical education. Furst BA. September-October 407-410

Biopsychosocial Model of Care

Psychosomatic medicine: the scientific foundation of the biopsychosocial model. Novack DH, Cameron O, Epel E, Ader R, Waldstein SR, Levenstein S, Antoni MH, Wainer AR. September-October 388-401

Books Reviewed

Fincher R-M, ed: Guidebook for Clerkship Directors, Third Edition. Layde JB. September-October 406

Brazil

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

Call Committee

Interpersonal and group dynamics in running a residency call committee (letter). Sedky KW, Swanljung P, Fallon A. January-February 84-85

Canada

Physicians as managers: psychiatry residents' perceived gaps in knowledge and skills in administrative psychiatry. Sockalingam S, Stergiopoulos V, Maggi J. July-August 304-307

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

Career Advancement

Career development in old-age psychiatry: opportunities through the American Association for Geriatric Psychiatry. Reynolds CF III. March-April 105-106

Cultivating careers in the American Association of Directors of Psychiatric Residency Training. Mellman LA. March-April 101-102

Developing the careers of clinician-educators in psychiatry. Bennett AJ, Clardy JA, Cargile CS, Thrush CR. January-February 57-60

The role of professional societies in career development in academic medicine. Bickel J. March-April 91-94

Setting a trajectory for career-long professional development. Hales DJ. March-April 127-128

Chairs of Departments of Psychiatry

The history of the American Association of Chairs of Departments of Psychiatry. Buckley PF, Meinsler LF. March-April 97-98

How the AACDP helped me professionally and personally. Baron DA. March-April 99-100

Chief Residents

Chief residencies in psychiatry (commentary). Layde JB, Nicholas P. July-August 258-260

Current perspectives on chief residents in psychiatry. Warner CH, Rachal J, Breitbart J, Higgins M, Warner C, Bobo W. July-August 270-276

Enhancing the effectiveness of the psychiatric chief resident. Ivany CG, Hurt PH. July-August 277-280

Child and Adolescent Psychiatry

The American Academy of Child and Adolescent Psychiatry. Barthel RP. March-April 119-121

The fall and redemption of people and systems: poten-

tial lessons from the "Star Wars" saga. Guerrero A, Jamora J. November-December 485-490

Medical students' interest in child psychiatry: a clerkship intervention. Martin VL, Bennett DS, Pitale M. May-June 225-227

A novel partnership in psychiatric education. Brown MA, Astman JA. September-October 375-379

A practical approach to implementing the core competencies in a child and adolescent psychiatry residency program. Dingle AD, Sexson SB. May-June 228-244

Chile

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

China

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

Clerkship

Medical students' interest in child psychiatry: a clerkship intervention. Martin VL, Bennett DS, Pitale M. May-June 225-227

Peer evaluation in a clinical clerkship: students' attitudes, experiences, and correlations with traditional assessments. Levine RE, Kelly PA, Karakoc T, Haidet P. January-February 19-24

Competency

Achieving competency in electroconvulsive therapy: a model curriculum. Dolenc TJ, Philbrick KL. January-February 65-67

A practical approach to implementing the core competencies in a child and adolescent psychiatry residency program. Dingle AD, Sexson SB. May-June 228-244

Quality and quantity: gauging the effects of the new ACGME program requirements for inpatient psychiatric education (commentary). Walaszek A. July-August 261-265

Why inpatient psychiatry training still matters (now more than ever) (commentary). Lim S, Rohrbaugh R. July-August 266-269

Computer-Assisted Instruction

"It's high-tech, but is it better?": applications of technology in psychiatry education. Krain LP, Bostwick JM, Sampson S. January-February 40-49

Confidentiality

Attention deficit hyperactivity disorder accommoda-

tions for psychiatry residents. Elliott HW, Arnold EM, Brenes GA, Silvia L, Rosenquist PB. July-August 290-296

Consultation-Liaison Psychiatry

Benefits of an electronic consultation-liaison note system: better notes faster. Sola CL, Bostwick JM, Sampson S. January-February 61-63

Teaching consultation-liaison psychotherapy: assessment of adaptation to medical and surgical illness. Hunter JJ, Maunder RG, Gupta M. September-October 367-374

Continuing Medical Education

Assessing attitudes about genetic testing as a component of continuing medical education. Mrazek M, Koenig B, Skime M, Snyder K, Hook C, Black J, Mrazek D. November-December 447-451

Continuity of Care

Continuity clinics in psychiatric residency training. Steinbook RM. January-February 15-18

Curriculum

Achieving competency in electroconvulsive therapy: a model curriculum. Dolenc TJ, Philbrick KL. January-February 65-67

Deficiencies in suicide training in primary care specialties: a survey of training directors. Sudak D, Roy A, Sudak H, Lipschitz A, Maltsberger J, Hendin H. September-October 345-349

Does psychiatry residency training reflect the "real world" of psychiatry practice? a survey of residency graduates. Petersen T, Fava M, Alpert JE, Vorono S, Sanders KM, Mischoulon D. July-August 281-289

Encountering patient suicide: a requirement of the residency program curriculum. Schwartz AC, Kaslow NJ, McDonald WM. September-October 338-339

Improving the pedagogy associated with the teaching of psychopharmacology. Glick ID, Salzman C, Cohen BM, Klein DF, Moutier C, Nasrallah HA, Ongur D, Wang P, Zisook S. May-June 211-217

Psychiatric resident education in intellectual disabilities: one program's ten years of experience. Ruedrich S, Dunn J, Schwartz S, Nordgren L. November-December 430-434

Putting "rural" into psychiatry residency training programs. Nelson W, Pomerantz A, Schwartz J. November-December 423-429

Czech Republic

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

Death and Dying

Bowlby goes to the movies: film as a teaching tool for

issues of bereavement, mourning, and grief in medical education. Furst BA. September-October 407-410

Decision-Making

Medical decision-making by psychiatry residents. El-Mallakh R, Zinner J, Mackey A, Tamas RL, Martin CM, Dalton J, Dhaliwal N, Luddington N, Numan FU, Nunes R, Taylor S, Ye L. July-August 326-328

Departments of Psychiatry

In the eye of Katrina: surviving the storm and rebuilding an academic department of psychiatry. Osofsky HJ. May-June 183-187

The history of the American Association of Chairs of Departments of Psychiatry. Buckley PF, Meinsler LF. March-April 97-98

Lessons learned from Katrina: one department's perspective. Winstead DK, Legeai C. May-June 190-195

Medical student education in psychiatry after Katrina: disaster and renewal. Townsend MH. May-June 205-210

Psychiatric issues and answers following Hurricane Katrina. Kahn MJ, Markert RJ, Johnson JE, Owens D, Krane NK. May-June 200-204

Dialectical Behavior Therapy

Use of dialectical behavior therapy in borderline personality disorder: a view from residency. Sharma B, Dunlop BW, Ninan PT, Bradley R. May-June 218-224

Disaster Response

In the eye of Katrina: surviving the storm and rebuilding an academic department of psychiatry. Osofsky HJ. May-June 183-187

Hurricane Katrina: disasters teach us and we must learn (commentary). Ursano RJ, Fullerton CS, Benedek DM, Hamaoka DA. May-June 180-182

Katrina relief: lessons for the academic medical center. Frank JB, Trinidad AC. May-June 196-199

Lessons learned from Katrina: one department's perspective. Winstead DK, Legeai C. May-June 190-195

Medical student education in psychiatry after Katrina: disaster and renewal. Townsend MH. May-June 205-210

Opportunity missed: a lesson learned from evacuating mentally ill patients following Hurricanes Katrina and Rita. McClain TC, Hamilton FC, Clothier J, McGaugh J. May-June 188-189

Psychiatric issues and answers following Hurricane Katrina. Kahn MJ, Markert RJ, Johnson JE, Owens D, Krane NK. May-June 200-204

Doctor-Patient Relationship

The second annual AAP "On Becoming a Doctor" medical student essay. Burruss J. September-October 411

Worlds colliding. Deen SR. September-October 412-413

Documentation

Benefits of an electronic consultation-liaison note system: better notes faster. Sola CL, Bostwick JM, Sampson S. January-February 61-63

Educational Resource Column

Achieving competency in electroconvulsive therapy: a model curriculum. Dolenc TJ, Philbrick KL. January-February 65-67

An annotated bibliography of professional literature on international medical graduates. Rao NR, Kramer M, Saunders R, Twemlow SW, Lomax JW, Dewan MJ, Myers MF, Goldberg J, Cassimir G, Kring B, Alami O. January-February 68-83

Introduction. Louie AK, Coverdale J, Roberts LW. January-February 64

Neurobiological formulations: integrating clinical and biological psychiatry. Posner J, Stewart J, Rieder R. November-December 479-484

Electroconvulsive Therapy

Achieving competency in electroconvulsive therapy: a model curriculum. Dolenc TJ, Philbrick KL. January-February 65-67

Electronic Note System

Benefits of an electronic consultation-liaison note system: better notes faster. Sola CL, Bostwick JM, Sampson S. January-February 61-63

Emergency Psychiatry

Medical decision-making by psychiatry residents. El-Mallakh R, Zinner J, Mackey A, Tamas RL, Martin CM, Dalton J, Dhaliwal N, Luddington N, Numan FU, Nunes R, Taylor S, Ye L. July-August 326-328

Ethical Issues

Encountering patient suicide: emotional responses, ethics, and implications for training programs (editorial). Coverdale JH, Roberts LW, Louie AK. September-October 329-332

Medical education and the pharmaceutical industry: a review of ethical guidelines and their implications for psychiatric training. Geppert CMA. January-February 32-39

Faculty

The Association for Academic Psychiatry. Burruss JW. March-April 114-115

The Association of Directors of Medical Student Education in Psychiatry. Sierles FS. March-April 107-109

Cultivating careers in the American Association of Directors of Psychiatric Residency Training. Mellman LA. March-April 101-102

Developing the careers of clinician-educators in psychiatry. Bennett AJ, Clardy JA, Cargile CS, Thrush CR. January-February 57-60

Developing the master educator: cross disciplinary teaching scholars program for human and veterinary medical faculty. Srinivasan M, Pratt D, Collins J, Bowe CM, Stevenson FT, Pinney SJ, Wilkes MS. November-December 452-464

Educating, training, and mentoring minority faculty and other trainees in mental health services research. Yager J, Waitzkin H, Parker T, Duran B. March-April 146-151

Fifteen years of evolution as a society of teaching scholars. Simpson D, Marcadante K, Sebastian J, Taylor J, Chan C, Bolender D, Weissman D, Kaplan S. November-December 465-471

The history of the American Association of Chairs of Departments of Psychiatry. Buckley PF, Meinsler LF. March-April 97-98

How the AACDP helped me professionally and personally. Baron DA. March-April 99-100

Improving the pedagogy associated with the teaching of psychopharmacology. Glick ID, Salzman C, Cohen BM, Klein DF, Moutier C, Nasrallah HA, Ongur D, Wang P, Zisook S. May-June 211-217

Society for Women in Academic Psychiatry: a peer mentoring approach. Seritan AL, Bhargoo R, Garma S, DuBé J, Park JH, Hales R. September-October 363-366

Teaching scholars programs: faculty development for educators in the health professions. Fidler DC, Khakoo R, Miller LA. November-December 472-478

Training future generations of mental health researchers: devising strategies for tough times. Reynolds CF III, Pilkonis PA, Kupfer DJ, Dunn L, Pincus HA. March-April 152-159

Turning intellectual capital into leadership capital: why and how psychiatrists can take the lead (commentary). Bickel J. January-February 1-4

UCSD's short-term research training programs for trainees at different levels of career development. Jeste DV, Halpain MC, Trinidad GI, Reichstadt JL, Lebowitz BD. March-April 160-167

Family Medicine

Deficiencies in suicide training in primary care specialties: a survey of training directors. Sudak D, Roy A, Sudak H, Lipschitz A, Maltsberger J, Hendin H. September-October 345-349

Perceptions and practices of graduates of combined family medicine-psychiatry residency programs: a nation-

wide survey. Warner CH, Morganstein J, Rachai J, Lacy T. July-August 297-303

Family-Work Balance

Balancing act: a work in progress notes. Fox G. March-April 138-142

Balancing the personal and the professional: should and can we teach this? Louie A, Coverdale J, Roberts LW. March-April 129-132

Child planning required: a father's perspective on balancing career and family within academic psychiatry. Seal DW. March-April 143-145

Life as a balance beam: practical ideas for balancing work and home. Riba MB, Riba A, Riba E. March-April 135-137

The two-physician family: a balancing act of work and love. Sharfstein SS, Sharfstein MS. March-April 133-134

Forensic Psychiatry

Encountering patient suicide: the role of survivors. Sudak H. September-October 333-335

Professional development in forensic psychiatry: the role of the American Academy of Psychiatry and the Law. Candilis PJ, Layde JB. March-April 110-111 (correction, May-June 248)

Genetic Testing

Assessing attitudes about genetic testing as a component of continuing medical education. Mrazek M, Koenig B, Skime M, Snyder K, Hook C, Black J, Mrazek D. November-December 447-451

Geriatric Psychiatry

The American Association for Geriatric Psychiatry: my professional family. Sewell DD. March-April 103-104

Career development in old-age psychiatry: opportunities through the American Association for Geriatric Psychiatry. Reynolds CF III. March-April 105-106

A future for geriatric psychiatry? (letter). Luchins D. November-December 491-492

UCSD's short-term research training programs for trainees at different levels of career development. Jeste DV, Halpain MC, Trinidad GI, Reichstadt JL, Lebowitz BD. March-April 160-167

Global Assessment of Functioning

Are medical students assigning proper Global Assessment of Functioning scores? Warsi MK, Sattar SP, Din AU, Petty F, Padala PR. January-February 51-56

History

Classical psychiatry, literary sensibility, and the art of medicine (commentary). Leibo M. January-February 5-7

Homeless Persons

Smoking cessation delivered by medical students is help-

ful to homeless population. Spector A, Alpert H, Karam-Hage M. September-October 402-405

Humanities

Classical psychiatry, literary sensibility, and the art of medicine (commentary). Leibo M. January-February 5-7

Should we be teaching philosophy to psychiatrists-in-training? (letter). Appleby BS. May-June 246-247

Hurricane Katrina

In the eye of Katrina: surviving the storm and rebuilding an academic department of psychiatry. Osofsky HJ. May-June 183-187

Hurricane Katrina: disasters teach us and we must learn (commentary). Ursano RJ, Fullerton CS, Benedek DM, Hamaoka DA. May-June 180-182

Katrina relief: lessons for the academic medical center. Frank JB, Trinidad AC. May-June 196-199

Lessons learned from Katrina: one department's perspective. Winstead DK, Legeai C. May-June 190-195

Medical student education in psychiatry after Katrina: disaster and renewal. Townsend MH. May-June 205-210

Opportunity missed: a lesson learned from evacuating mentally ill patients following Hurricanes Katrina and Rita. McClain TC, Hamilton FC, Clothier J, McGaugh J. May-June 188-189

Psychiatric issues and answers following Hurricane Katrina. Kahn MJ, Markert RJ, Johnson JE, Owens D, Krane NK. May-June 200-204

India

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

Inpatient Psychiatry

Increasing the rate of return of resident rotation evaluations by their attending physicians in an in-patient psychiatric facility. Shah N, Thompson B, Averill P, Searle N. November-December 439-452

Medical students' responses to an inpatient suicide: opportunities for education and support. Hamaoka DA, Fullerton CS, Benedek DM, Gifford R, Nam T, Ursano RJ. September-October 350-353

Quality and quantity: gauging the effects of the new ACGME program requirements for inpatient psychiatric education (commentary). Walaszek A. July-August 261-265

Teaching consultation-liaison psychotherapy: assessment of adaptation to medical and surgical illness. Hunter JJ, Maunder RG, Gupta M. September-October 367-374

Why inpatient psychiatry training still matters (now

more than ever) (commentary). Lim S, Rohrbaugh R. July-August 266-269

Intellectual Disabilities

Psychiatric resident education in intellectual disabilities: one program's ten years of experience. Ruedrich S, Dunn J, Schwartz S, Nordgren L. November-December 430-434

International Medical Graduates

An annotated bibliography of professional literature on international medical graduates. Rao NR, Kramer M, Saunders R, Twemlow SW, Lomax JW, Dewan MJ, Myers MF, Goldberg J, Cassimir G, Kring B, Alami O. January-February 68-83

Research during psychiatry residency: a case for IMGs on visas (letter). Varma A, Malik M. March-April 171-172

International Psychiatry

Enhancing the international status of *Academic Psychiatry* (editorial). Coverdale J, Roberts LW, Louie AK, Beresin E. May-June 177-179

International professional development: The World Psychiatric Association. Arboleda-Florez JE. March-April 116-118

Physicians as managers: psychiatry residents' perceived gaps in knowledge and skills in administrative psychiatry. Sockalingam S, Stergiopoulos V, Maggi J. July-August 304-307

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

Korea

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

Leadership

Chief residencies in psychiatry (commentary). Layde JB, Nicholas P. July-August 258-260

Current perspectives on chief residents in psychiatry. Warner CH, Rachal J, Breitbach J, Higgins M, Warner C, Bobo W. July-August 270-276

Enhancing the effectiveness of the psychiatric chief resident. Ivany CG, Hurt PH. July-August 277-280

Turning intellectual capital into leadership capital: why and how psychiatrists can take the lead (commentary). Bickel J. January-February 1-4

Legal Issues

Attention deficit hyperactivity disorder accommodations for psychiatry residents. Elliott HW, Arnold EM, Brenes GA, Silvia L, Rosenquist PB. July-August 290-296

Encountering patient suicide: the role of survivors. Sudak H. September-October 333-335

Professional development in forensic psychiatry: the role of the American Academy of Psychiatry and the Law. Candilis PJ, Layde JB. March-April 110-111 (correction, May-June 248)

Louisiana State University Health Sciences Center

The American Academy of Child and Adolescent Psychiatry. Barthel RP. March-April 119-121

The American Association for Geriatric Psychiatry: my professional family. Sewell DD. March-April 103-104

The Association for Academic Psychiatry. Burruss JW. March-April 114-115

The Association of Directors of Medical Student Education in Psychiatry. Sierles FS. March-April 107-109

Career development in old-age psychiatry: opportunities through the American Association for Geriatric Psychiatry. Reynolds CF III. March-April 105-106

Cultivating careers in the American Association of Directors of Psychiatric Residency Training. Mellman LA. March-April 101-102

The history of the American Association of Chairs of Departments of Psychiatry. Buckley PF, Meinsler LF. March-April 97-98

How the AACDP helped me professionally and personally. Baron DA. March-April 99-100

International professional development: The World Psychiatric Association. Arboleda-Florez JE. March-April 116-118

Professional development in forensic psychiatry: the role of the American Academy of Psychiatry and the Law. Candilis PJ, Layde JB. March-April 110-111 (correction, May-June 248)

Psychiatric organizations: influencing professional development. Weerasekera P. March-April 89-90

The role of professional societies in career development in academic medicine. Bickel J. March-April 91-94

Society for Women in Academic Psychiatry: a peer mentoring approach. Seritan AL, Bhargoo R, Garma S, DuBé J, Park JH, Hales R. September-October 363-366

The unique role of psychiatric organizations and societies in professional development. Worley L. March-April 112-113

Why join a subspecialty organization? membership in the Academy of Psychosomatic Medicine. Saravay SM, Trzepacz PT, Breitbart WS. March-April 95-96

Outpatient Treatment

Continuity clinics in psychiatric residency training. Steinbook RM. January-February 15-18

Patients

Encountering patient suicide: a requirement of the residency program curriculum. Schwartz AC, Kaslow NJ, McDonald WM. September-October 338-339

Encountering patient suicide: a resident's experience. Fang F, Kemp J, Jawandha A, Juros J, Long L, Nanayakara S, Stepansky C, Thompson LB, Anzia J. September-October 340-344

Encountering patient suicide: emotional responses, ethics, and implications for training programs (editorial). Coverdale JH, Roberts LW, Louie AK. September-October 329-332

Encountering patient suicide: the need for guidelines. Balon R. September-October 336-337

Encountering patient suicide: the role of survivors. Sudak H. September-October 333-335

Medical students' responses to an inpatient suicide: opportunities for education and support. Hamaoka DA, Fullerton CS, Benedek DM, Gifford R, Nam T, Ursano RJ. September-October 350-353

Opportunity missed: a lesson learned from evacuating mentally ill patients following Hurricanes Katrina and Rita. McClain TC, Hamilton FC, Clothier J, McGaugh J. May-June 188-189

A pragmatic approach to teaching psychiatry residents the assessment and treatment of religious patients. Blass DM. January-February 25-31

Peer Assessment

Peer evaluation in a clinical clerkship: students' attitudes, experiences, and correlations with traditional assessments. Levine RE, Kelly PA, Karakoc T, Haidet P. January-February 19-24

Peer Support

Resident education and perceptions of recovery in serious mental illness: observations and commentary. Buckley P, Bahmiller D, Kenna CA, Shevitz S, Powell I, Fricks L. November-December 435-438

Society for Women in Academic Psychiatry: a peer mentoring approach. Seritan AL, Bhangoo R, Garma S, DuBé J, Park JH, Hales R. September-October 363-366

Personality Disorders

Use of dialectical behavior therapy in borderline personality disorder: a view from residency. Sharma B, Dunlop BW, Nínan PT, Bradley R. May-June 218-224

Pharmaceutical Industry

Medical education and the pharmaceutical industry: a

review of ethical guidelines and their implications for psychiatric training. Geppert CMA. January-February 32-39

Pharmacogenomics

Assessing attitudes about genetic testing as a component of continuing medical education. Mrazek M, Koenig B, Skime M, Snyder K, Hook C, Black J, Mrazek D. November-December 447-451

Primary Care

Deficiencies in suicide training in primary care specialties: a survey of training directors. Sudak D, Roy A, Sudak H, Lipschitz A, Maltsberger J, Hendin H. September-October 345-349

Professional Development

About the American College of Neuropsychopharmacology. Ray OS. March-April 122-124

The ACNP and me. Glick ID. March-April 125-126

The American Academy of Child and Adolescent Psychiatry. Barthel RP. March-April 119-121

Career development in old-age psychiatry: opportunities through the American Association for Geriatric Psychiatry. Reynolds CF III. March-April 105-106

Cultivating careers in the American Association of Directors of Psychiatric Residency Training. Mellman LA. March-April 101-102

Developing the careers of clinician-educators in psychiatry. Bennett AJ, Clardy JA, Cargile CS, Thrush CR. January-February 57-60

Developing the master educator: cross disciplinary teaching scholars program for human and veterinary medical faculty. Srinivasan M, Pratt D, Collins J, Bowe CM, Stevenson FT, Pinney SJ, Wilkes MS. November-December 452-464

Fifteen years of evolution as a society of teaching scholars. Simpson D, Marcadante K, Sebastian J, Taylor J, Chan C, Bolender D, Weissman D, Kaplan S. November-December 465-471

The history of the American Association of Chairs of Departments of Psychiatry. Buckley PF, Meinsler LF. March-April 97-98

How the AACDP helped me professionally and personally. Baron DA. March-April 99-100

International professional development: The World

Psychiatric Association. Arboleda-Florez JE. March-April 116-118

Professional development in forensic psychiatry: the role of the American Academy of Psychiatry and the Law. Candilis PJ, Layde JB. March-April 110-111 (correction, May-June 248)

Psychiatric organizations: influencing professional development. Weerasekera P. March-April 89-90

The role of professional societies in career development in academic medicine. Bickel J. March-April 91-94

Setting a trajectory for career-long professional development. Hales DJ. March-April 127-128

Society for Women in Academic Psychiatry: a peer mentoring approach. Seritan AL, Bhargoo R, Garma S, DuBé J, Park JH, Hales R. September-October 363-366

Teaching scholars programs: faculty development for educators in the health professions. Fidler DC, Khakoo R, Miller LA. November-December 473-478

The unique role of psychiatric organizations and societies in professional development. Worley L. March-April 112-113

Why join a subspecialty organization? membership in the Academy of Psychosomatic Medicine. Saravay SM, Trzepacz PT, Breitbart WS. March-April 95-96

Professionalism

Virtues-based advice for beginning medical students (commentary). Coverdale JH. September-October 354-357

Psychiatric Workforce

A future for geriatric psychiatry? (letter). Luchins D. November-December 491-492

Hide and seek: the elusive rural psychiatrist (commentary). Cook A, Hoas H. November-December 419-422

Medical students' interest in child psychiatry: a clerkship intervention. Martin VL, Bennett DS, Pitale M. May-June 225-227

Perceptions and practices of graduates of combined family medicine-psychiatry residency programs: a nationwide survey. Warner CH, Morganstein J, Rachal J, Lacy T. July-August 297-303

Putting "rural" into psychiatry residency training programs. Nelson W, Pomerantz A, Schwartz J. November-December 423-429

Psychiatry Practice

Does psychiatry residency training reflect the "real world" of psychiatry practice? a survey of residency graduates. Petersen T, Fava M, Alpert JE, Vorono S, Sanders KM, Mischoulon D. July-August 281-289

Perceptions and practices of graduates of combined

family medicine-psychiatry residency programs: a nationwide survey. Warner CH, Morganstein J, Rachal J, Lacy T. July-August 297-303

Physicians as managers: psychiatry residents' perceived gaps in knowledge and skills in administrative psychiatry. Sockalingam S, Stergiopoulos V, Maggi J. July-August 304-307

Psychopharmacology

Does psychiatry residency training reflect the "real world" of psychiatry practice? a survey of residency graduates. Petersen T, Fava M, Alpert JE, Vorono S, Sanders KM, Mischoulon D. July-August 281-289

Improving the pedagogy associated with the teaching of psychopharmacology. Glick ID, Salzman C, Cohen BM, Klein DF, Moutier C, Nasrallah HA, Ongur D, Wang P, Zisook S. May-June 211-217

Psychosomatic Medicine

Psychosomatic medicine: the scientific foundation of the biopsychosocial model. Novack DH, Cameron O, Epel E, Ader R, Waldstein SR, Levenstein S, Antoni MH, Wainer AR. September-October 388-401

Why join a subspecialty organization? membership in the Academy of Psychosomatic Medicine. Saravay SM, Trzepacz PT, Breitbart WS. March-April 95-96

Psychotherapy

Addressing nicotine dependence in psychodynamic psychotherapy: perspectives from residency training. Prochaska JJ, Fromont SC, Banys P, Eisendrath SJ, Horowitz MJ, Jacobs MH, Hall SM. January-February 8-14

Does psychiatry residency training reflect the "real world" of psychiatry practice? a survey of residency graduates. Petersen T, Fava M, Alpert JE, Vorono S, Sanders KM, Mischoulon D. July-August 281-289

A pragmatic approach to teaching psychiatry residents the assessment and treatment of religious patients. Blass DM. January-February 25-31

Teaching consultation-liaison psychotherapy: assessment of adaptation to medical and surgical illness. Hunter JJ, Maunder RG, Gupta M. September-October 367-374

Use of dialectical behavior therapy in borderline personality disorder: a view from residency. Sharma B, Dunlop BW, Ninan PT, Bradley R. May-June 218-224

Recovery Model

Resident education and perceptions of recovery in serious mental illness: observations and commentary. Buckley P, Bahmiller D, Kenna CA, Shevitz S, Powell I, Fricks L. November-December 435-438

Religion

A pragmatic approach to teaching psychiatry residents

the assessment and treatment of religious patients. Blass DM. January-February 25-31

Research

Educating, training, and mentoring minority faculty and other trainees in mental health services research. Yager J, Waitzkin H, Parker T, Duran B. March-April 146-151

Research during psychiatry residency: a case for IMGs on visas (letter). Varma A, Malik M. March-April 171-172

Teaching interested clinicians how to develop research projects. Wojtecki CA, Wade MJ, Pato MT. March-April 168-170

Training future generations of mental health researchers: devising strategies for tough times. Reynolds CF III, Pilkonis PA, Kupfer DJ, Dunn L, Pinçus HA. March-April 152-159

UCSD's short-term research training programs for trainees at different levels of career development. Jeste DV, Halpain MC, Trinidad GI, Reichstadt JL, Lebowitz BD. March-April 160-167

Residency Training

Addressing nicotine dependence in psychodynamic psychotherapy: perspectives from residency training. Prochaska JJ, Fromont SC, Banys P, Eisendrath SJ, Horowitz MJ, Jacobs MH, Hall SM. January-February 8-14

Attention deficit hyperactivity disorder accommodations for psychiatry residents. Elliott HW, Arnold EM, Brenes GA, Silvia L, Rosenquist PB. July-August 290-296

Benefits of an electronic consultation-liaison note system: better notes faster. Sola CL, Bostwick JM, Sampson S. January-February 61-63

Chief residencies in psychiatry (commentary). Layde JB, Nicholas P. July-August 258-260

Continuity clinics in psychiatric residency training. Steinbook RM. January-February 15-18

Cultivating careers in the American Association of Directors of Psychiatric Residency Training. Mellman LA. March-April 101-102

Current perspectives on chief residents in psychiatry. Warner CH, Rachal J, Breitbach J, Higgins M, Warner C, Bobo W. July-August 270-276

Deficiencies in suicide training in primary care specialties: a survey of training directors. Sudak D, Roy A, Sudak H, Lipschitz A, Maltsberger J, Hendin H. September-October 345-349

Does psychiatry residency training reflect the "real world" of psychiatry practice? a survey of residency graduates. Petersen T, Fava M, Alpert JE, Vorono S, Sanders KM, Mischoulon D. July-August 281-289

Encountering patient suicide: a requirement of the res-

idency program curriculum. Schwartz AC, Kaslow NJ, McDonald WM. September-October 338-339

Encountering patient suicide: a resident's experience. Fang F, Kemp J, Jawandha A, Juros J, Long L, Nanayakara S, Stepansky C, Thompson LB, Anzia J. September-October 340-344

Encountering patient suicide: emotional responses, ethics, and implications for training programs (editorial). Coverdale JH, Roberts LW, Louie AK. September-October 329-332

Encountering patient suicide: the need for guidelines. Balon R. September-October 336-337

Encountering patient suicide: the role of survivors. Sudak H. September-October 333-335

The enculturation of medical students and residents (editorial). Louie AK, Roberts LW, Coverdale J. July-August 253-257

Enhancing the effectiveness of the psychiatric chief resident. Ivany CG, Hurt PH. July-August 277-280

How do examiners and examinees think about role-playing of standardized patients in an OSCE setting? Sadeghi M, Taghva A, Mirsepassi G, Hassanzadeh M. September-October 358-362

Increasing the rate of return of resident rotation evaluations by their attending physicians in an in-patient psychiatric facility. Shah N, Thompson B, Averill P, Searle N. November-December 439-442

Interpersonal and group dynamics in running a residency call committee (letter). Sedky KW, Swanljung P, Fallon A. January-February 84-85

Medical decision-making by psychiatry residents. El-Mallakh R, Zinner J, Mackey A, Tamas RL, Martin CM, Dalton J, Dhaliwal N, Luddington N, Numan FU, Nunes R, Taylor S, Ye L. July-August 326-328

Medical education and the pharmaceutical industry: a review of ethical guidelines and their implications for psychiatric training. Geppert CMA. January-February 32-39

Neurobiological formulations: integrating clinical and biological psychiatry. Posner J, Stewart J, Rieder R. November-December 480-485

A novel partnership in psychiatric education. Brown MA, Astman JA. September-October 375-379

Opportunity missed: a lesson learned from evacuating mentally ill patients following Hurricanes Katrina and Rita. McClain TC, Hamilton FC, Clothier J, McGaugh J. May-June 188-189

Perceptions and practices of graduates of combined family medicine-psychiatry residency programs: a nation-

wide survey. Warner CH, Morganstein J, Rachal J, Lacy T. July-August 297-303

Physicians as managers: psychiatry residents' perceived gaps in knowledge and skills in administrative psychiatry. Sockalingam S, Stergiopoulos V, Maggi J. July-August 304-307

A practical approach to implementing the core competencies in a child and adolescent psychiatry residency program. Dingle AD, Sexson SB. May-June 228-244

A pragmatic approach to teaching psychiatry residents the assessment and treatment of religious patients. Blass DM. January-February 25-31

Psychiatric resident education in intellectual disabilities: one program's ten years of experience. Ruedrich S, Dunn J, Schwartz S, Nordgren L. November-December 430-434

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

Putting "rural" into psychiatry residency training programs. Nelson W, Pomerantz A, Schwartz J. November-December 423-429

Quality and quantity: gauging the effects of the new ACGME program requirements for inpatient psychiatric education (commentary). Walaszek A. July-August 261-265

Research during psychiatry residency: a case for IMGs on visas (letter). Varma A, Malik M. March-April 171-172

Resident education and perceptions of recovery in serious mental illness: observations and commentary. Buckley P, Bahmiller D, Kenna CA, Shevitz S, Powell I, Fricks L. November-December 435-438

Should we be teaching philosophy to psychiatrists-in-training? (letter). Appleby BS. May-June 246-247

The Structured Clinically Relevant Interview for Psychiatrists in Training (SCRIPT): a new standardized assessment tool for recruitment in the UK. Rao R. November-December 443-446

Teaching consultation-liaison psychotherapy: assessment of adaptation to medical and surgical illness. Hunter JJ, Maunder RG, Gupta M. September-October 367-374

Use of dialectical behavior therapy in borderline personality disorder: a view from residency. Sharma B, Dunlop BW, Ninan PT, Bradley R. May-June 218-224

Why inpatient psychiatry training still matters (now more than ever) (commentary). Lim S, Rohrbaugh R. July-August 266-269

Role-Playing

Headspace Theater: an innovative method for experi-

ential learning of psychiatric symptomatology using modified role-playing and improvisational theater techniques. Ballon BC, Silver I, Fidler D. September-October 380-387

How do examiners and examinees think about role-playing of standardized patients in an OSCE setting? Sadeghi M, Taghva A, Mirsepassi G, Hassanzadeh M. September-October 358-362

Rural Psychiatry

Hide and seek: the elusive rural psychiatrist (commentary). Cook A, Hoas H. November-December 419-422

Putting "rural" into psychiatry residency training programs. Nelson W, Pomerantz A, Schwartz J. November-December 423-429

School Partnership

A novel partnership in psychiatric education. Brown MA, Astman JA. September-October 375-379

Smoking/Tobacco Use

Addressing nicotine dependence in psychodynamic psychotherapy: perspectives from residency training. Prochaska JJ, Fromont SC, Banys P, Eisendrath SJ, Horowitz MJ, Jacobs MH, Hall SM. January-February 8-14

Smoking cessation delivered by medical students is helpful to homeless population. Spector A, Alpert H, Karam-Hage M. September-October 402-405

Sociocultural Approach

The enculturation of medical students and residents (editorial). Louie AK, Roberts LW, Coverdale J. July-August 253-257

Standardized Patients

How do examiners and examinees think about role-playing of standardized patients in an OSCE setting? Sadeghi M, Taghva A, Mirsepassi G, Hassanzadeh M. September-October 358-362

Stigma

Psychiatric education: does it affect stigma? (letter). Zalar B, Strbad M, Švab V. May-June 245-246

Subspecialties

About the American College of Neuropsychopharmacology. Ray OS. March-April 122-124

The American Academy of Child and Adolescent Psychiatry. Barthel RP. March-April 119-121

The American Association for Geriatric Psychiatry: my professional family. Sewell DD. March-April 103-104

The Association for Academic Psychiatry. Burruss JW. March-April 114-115

Career development in old-age psychiatry: opportunities through the American Association for Geriatric Psychiatry. Reynolds CF III. March-April 105-106

A future for geriatric psychiatry? (letter). Luchins D. November-December 491-492

Professional development in forensic psychiatry: the role of the American Academy of Psychiatry and the Law. Candilis PJ, Layde JB. March-April 110-111 (correction, May-June 248)

Why join a subspecialty organization? membership in the Academy of Psychosomatic Medicine. Saravay SM, Trzepacz PT, Breitbart WS. March-April 95-96

Substance Use Disorders

Addressing nicotine dependence in psychodynamic psychotherapy: perspectives from residency training. Prochaska JJ, Fromont SC, Banys P, Eisendrath SJ, Horowitz MJ, Jacobs MH, Hall SM. January-February 8-14

Smoking cessation delivered by medical students is helpful to homeless population. Spector A, Alpert H, Karam-Hage M. September-October 402-405

Suicide

Deficiencies in suicide training in primary care specialties: a survey of training directors. Sudak D, Roy A, Sudak H, Lipschitz A, Maltsberger J, Hendin H. September-October 345-349.

Encountering patient suicide: a requirement of the residency program curriculum. Schwartz AC, Kaslow NJ, McDonald WM. September-October 338-339

Encountering patient suicide: a resident's experience. Fang F, Kemp J, Jawandha A, Juros J, Long L, Nanayakkara S, Stepansky C, Thompson LB, Anzia J. September-October 340-344

Encountering patient suicide: emotional responses, ethics, and implications for training programs (editorial). Coverdale JH, Roberts LW, Louie AK. September-October 329-332

Encountering patient suicide: the need for guidelines. Balon R. September-October 336-337

Encountering patient suicide: the role of survivors. Sudak H. September-October 333-335

Medical students' responses to an inpatient suicide: opportunities for education and support. Hamaoka DA, Fullerton CS, Benedek DM, Gifford R, Nam T, Ursano RJ. September-October 350-353

Sweden

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

Teaching

Bowlby goes to the movies: film as a teaching tool for

issues of bereavement, mourning, and grief in medical education. Furst BA. September-October 407-410

The enculturation of medical students and residents (editorial). Louie AK, Roberts LW, Coverdale J. July-August 253-257

The fall and redemption of people and systems: potential lessons from the "Star Wars" saga. Guerrero A, Jamora J. November-December 485-490

Headspace Theater: an innovative method for experiential learning of psychiatric symptomatology using modified role-playing and improvisational theater techniques. Ballon BC, Silver I, Fidler D. September-October 380-387

Improving the pedagogy associated with the teaching of psychopharmacology. Glick ID, Salzman C, Cohen BM, Klein DF, Moutier C, Nasrallah HA, Ongur D, Wang P, Zisook S. May-June 211-217

"It's high-tech, but is it better?": applications of technology in psychiatry education. Krain LP, Bostwick JM, Sampson S. January-February 40-49

Should we be teaching philosophy to psychiatrists-in-training? (letter). Appleby BS. May-June 246-247

Teaching Scholars Programs

Developing the master educator: cross disciplinary teaching scholars program for human and veterinary medical faculty. Srinivasan M, Pratt D, Collins J, Bowe CM, Stevenson FT, Pinney SJ, Wilkes MS. November-December 452-464

Fifteen years of evolution as a society of teaching scholars. Simpson D, Marcdante K, Sebastian J, Taylor J, Chan C, Bolender D, Weissman D, Kaplan S. November-December 465-471

Teaching scholars programs: faculty development for educators in the health professions. Fidler DC, Khakoo R, Miller LA. November-December 472-478

Technology

"It's high-tech, but is it better?": applications of technology in psychiatry education. Krain LP, Bostwick JM, Sampson S. January-February 40-49

Tulane University School of Medicine

Lessons learned from Katrina: one department's perspective. Winstead DK, Legeai C. May-June 190-195

Psychiatric issues and answers following Hurricane Katrina. Kahn MJ, Markert RJ, Johnson JE, Owens D, Krane NK. May-June 200-204

United Kingdom

Psychiatry residency training around the world. Zisook S, Balon R, Björkstén KS, Everall I, Dunn L, Ganadjian K, Jin H, Parikh S, Sciolla A, Sidhartha T, Yoo T. July-August 309-325

The Structured-Clinically Relevant Interview for Psychiatrists in Training (SCRIPT): a new standardized assessment tool for recruitment in the UK. Rao R. November-December 443-446

Virtues

Virtues-based advice for beginning medical students (commentary). Coverdale JH. September-October 354-357
